MEDICATION FORMS AND POLICIES

A fully-trained health officer is on-site for the duration of the summer camp experience. Cub Scouts, WEBELOS, and adults need an updated health form completed and signed.

Use Annual Health Form (Parts A and B). These are available on the website at www.campphillips.org or upon request from the Scout Service Center.

Every participant must provide a copy of their camp health and medical form to be kept on file after they leave.

* Parts A & B are required of all Scouts & Adults attending Cub World.

MANY DIFFERENT PROGRAM AREAS TO EXPERIENCE...

Waterfront

During the rotations, youth and adults will have the opportunity to improve their swimming skills. Those not able to pass the swimmer ability test at check-in will learn the skills needed to pass the test while at camp. As the youth progresses into Scouts BSA Troops, the swimmer ability test is needed for all aquatic merit badges. Swimmers ability scouts will work on refinement of technique and learning new techniques.

Shooting Sports

Archery and BB Guns are another fun part of coming to camp. Instruction in safety and marksmanship is offered at camp. Scouts will also learn techniques in Rock Tossing at our NEW Rock Range!

WEBELOS Scouts get to venture into high-tide with our rafts!

Scouts learn valuable skills while practicing their archery skills at the Cub World Shooting Range!

Handicraft

For the creative at heart, handicraft offers several projects that will bring out your inner Scout! Every activity offers a chance for Scouts to use their creativity, develop their fine motor skills, and challenge their creativity.

Fitness Course

Want to build up agility and strength? Our obstacle course offers 10 challenges to keep your Cub Scout on their feet. Your Scout can:

- ◇ Tire Obstacle
- ◇ Monkey Bars

DON'T FORGET ABOUT THE...

Nature Center

The 1450 acres of L.E. Phillips Scout Reservation provide a perfect classroom for young Cub Scouts. The Reservation is an ideal environment for deer, bald eagles, loons, porcupine, beaver and much more. If fishing is your game, then be sure to bring your fishing gear! Scouts are challenged to learn, explore, create, and experience all that nature has to offer with our trained, professional staff.

Climbing Tower

Face your fears with our 16 foot climbing tower! Adults and kids enjoy scaling this tower at their own level and pace. Our trained staff provide knowledge, equipment, support, and encouragement for anyone brave enough to climb to the top of the crow's nest and wave to those below them.

DURING OUR DOWN TIME...

Meal Time

Scouts and leaders will be fed three yummy meals a day at our dining hall. Coffee and cappuccino will be available for all leaders and parents staying at camp. Other food options will be accessible for all campers and adults.

HAVE A FOOD ALLERGY?

Cub World will accommodate all food allergies for Scouts and adults. We want you to feel welcome and at home, so tell us what we can do for you!

Cub World offers many options for different types of eaters!

Financial Aid Options

We want all Scouts to experience what Cub World has to offer, therefore we do everything we can to get them to camp! Financial help is available for Scouts who would not otherwise be able to attend camp. Applications need to be approved by the unit leader and submitted to the Scout Service Center as soon as possible, no later than May 1. Financial Assistance applications are available from the Scout Service Center or online (www.campphillips.org)

under Cub Scouts.

Housing and Amenities

There are many places to camp out at Cub World! As a pack, or as a family, you can decide if you would like to sleep in a bunk house near the fort; experience living in the Wild West in our Western Village; or if you want to battle the elements and risk sleeping in a tent near the fort!

Campers will sleep on bunk beds with firm mattresses. All sleeping areas in the fort are enclosed and screened for your comfort. The fort contains male and female showers and toilet facilities. Meals are served buffet style in the large dining area off of the fort.

Kick ball, baseball, basketball, Frisbees, and jump ropes are always available in front of the fort during down times or transition periods before and after meals.
